RESOLUTION: First Reading, January 13, 2014; Finance Committee January 21, 2014;
Second Reading, January 27, 2014

PREPARED BY: Jim Flesher, Senior Planner

RECOMMENDATION: The Urban Planning Office recommends acceptance of the Grant and adoption of the attached resolution.

The Wyoming State Historic Preservation Office (SHPO) has approved the Cheyenne Historic Preservation Board's application for a grant to fund attendance of three members at the 2014 Saving Places Conference February 5th, 6th, and 7th in Denver, Colorado.

The \$1,542 grant pays for conference registration, hotel, and parking. The Board members attending will pay for their own transportation and meals not provided at the conference, which, along with their time, will be considered the grant match.

According to the coloradopreservation.org website: "The 2014 conference aims to empower participants to strengthen partnerships within their local communities, expanding positive perceptions of preservation and encouraging discussions centered on common community visions for the future of preservation."
