
MEMORANDUM

TO: Mayor Richard Kaysen, and City Council
FROM: Sara Vasquez, Asst. Director of Purchasing
DATE: July 17, 2014
SUBJECT: Consideration of Bid #R-27-14, for furnishing Two New Cab & Chassis with 40 Yard Front Loader Refuse Collection Body for the City's Sanitation Division.

We had two (2) bidders respond to this bid, and the bid tab is attached.

CMI-TECO Casper, WY	2015Mack MRU	\$494,000.00	\$15,000.00	\$15,000.00

The bids were reviewed by Dennis Bell and Jim Elias, and their recommendation is to go with Peterbilt of Wyoming with the Ameri-tech body, due to it being the only one that met specifications, in the amount of \$496,184.00. This price includes the trade-ins along with some additional training and an additional two (2) year warranty on the complete body and hydraulic systems.

The bid from Peterbilt with Elliot body had numerous exceptions, and the bid from Peterbilt with Kois Bros. body, exceeded overall height and length. CMI-Teco did not sign their bid, therefore we could not accept it.
