Consent Agenda. (All agenda items listed with the designation of [CA] are considered to be routine items by the governing body and will be enacted by one motion. There will be no separate discussion on these items unless a member of the governing body so requests and support by two other members is received. Any item removed from the Consent Agenda will be considered in its normal sequence on the agenda.) Upon request by Mr. Brown, and pursuant to support received by Ms. Broyles and Dr. Rinne, Agenda Item #18 was removed from the Consent Agenda. Mr. Shanor moved to approve remaining Consent Agenda items, seconded by Mr. Luna. Motion carried. Voting "yes" -- all members of the governing body.

[CA] Minutes from Regular Meeting of the Governing Body on July 14, 2014. Motion (per Consent Agenda) carried.

Mr. Valdez declared a conflict of interest (business interest in vouchers payable to Radio Stations KRAE-AM and KYOY-FM) and vacated Council Chambers. Mr. Shanor moved to approve payment of vouchers as presented, seconded by Ms. Williams. Motion carried. Voting "yes" -- all members of the governing body present in Council Chambers. Following announcement of the vote, Mr. Valdez returned to Council Chambers.

Mayor Kaysen opened a public hearing to receive comments and input for a retail liquor license application filed with the City Clerk's Office for Red Lobster Hospitality LLC d/b/a Red Lobster #0639, 1923 Dell Range Boulevard., Cheyenne, Wyoming (License currently held by GMRI, Inc. d/b/a Red Lobster #0639, 1923 Dell Range Boulevard, Cheyenne, Wyoming). There being no comments or input and the purpose of the hearing having been met, Mayor Kaysen closed the hearing and referred the application to Finance Committee.

ORDINANCE - Annexing to the City of Cheyenne, Wyoming, a parcel of land situated in a portion of the Northeast Quarter of the Northwest Quarter of Section 26, Township 14 North, Range 66 West of the 6th P.M., Laramie County, Wyoming, to be known as the Del-Van Storage Park Annexation (located at 5311 Dell Range Blvd. at the southwest corner of the intersection of Gysel Place and Dell Range Blvd.). Jeff Fox, co-owner of the property, provided a brief history regarding their past plans to develop the property to build 4-plexes and reasons why the development did not move forward. He stated the owners decided to list the property for sale, and commented in support of the storage park project affiliated with the annexation. Pursuant to confirmation from Mayor Kaysen that their comments could also address zoning concerns (i.e. affiliated with next agenda item), Sharon and Arden

Carlberg, adjacent property owners, spoke in opposition to the proposed zone change and indicated their desire that the property remain zoned for residential use. Their comments included the following concerns: Impact on nearby property values; undesirable aspects of living next to storage shed units; lack of an on-site manager, and the possibility of a change in project plans that may include a future re-zoning request. Ms. Carlberg submitted a handout in conjunction with her comments (on file with City Clerk's office). Mr. Carlberg stated that as follow-up to information stated at a previous meeting concerning a shortage of available storage rental units in the community, he had contacted several businesses providing rental units and his research reflected a lack of evidence to support that a shortage of available units exists. Reporting for Public Services Committee, Mr. Shanor moved to approve on third and final reading, seconded by Ms. Williams. Motion carried. Voting "yes" -- all members of the governing body with the exception of Mr. Luna and Ms. Williams voting "no". (#4031)

ORDINANCE - Pursuant to Section 2.2.1, Zoning Map Amendments, Section 5.1.2, Zoning Districts Established, and Section 5.1.3, Official Zoning Map, of the Cheyenne Unified Development Code, changing the zoning classification from MU Mixed Use (County), MUB Mixed-Use Business Emphasis, and MR-1 Medium Density Residential-Established to MUE Mixed-Use Employment Emphasis for Del-Van Storage Park, being a replat of all of Goodwater Addition, Goodwater Drive, and Water Blue Lane and a portion of the Northeast Quarter of the Northwest Quarter of Section 26, T.14N., R.66W., 6th P.M., Cheyenne, Wyoming (located south of and adjacent to Dell Range Blvd., east of and adjacent to Van Buren Ave.). Mayor Kaysen advised the item was related to the previous agenda item. Casey Palma, Steil Surveying Services, agent for the developers, noted discussions have been held with vicinity landowners in an effort to address concerns; stated the MUE zone allows flexibility for use with buffering protections, and advised approval from the Board of Adjustment will also be required to build the storage units on the property. Mr. Palma indicated that portions of the property are currently zoned as MR-1, Mixed Use and MUB, and confirmed the developers have no interest in pursuing any other type of development project for the property. Mr. Shanor moved to approve on third and final reading, seconded by Mr. Mr. Cook. Upon inquiry, Mr. Palma reviewed the types of landscape material envisioned to be planted in the 15 ft. buffer around the perimeter area and discussions held with adjacent property owners regarding the type of trees landowners would prefer. Upon inquiry regarding the shortage of storage units in the community, Jerry Ciz, co-developer, Del-Van Storage Park, advised they will be developing larger size units, which are in short demand, vs. smaller units which are available. Upon inquiry, Jim Flesher, Planning and Development Office, clarified that, pursuant to the zoning type, it would be a violation for persons to live in the units, and Mr. Palma explained that no electricity/power in the units, other than exterior lighting, is proposed to avoid someone attempting to live in or operate a business out of a unit. Upon inquiry regarding potential loss of surrounding property values, Mr. Ciz advised they have not seen any specific studies regarding either a decrease or increase in property values regarding storage units near residential areas, noting storage units have marketability qualities such as low traffic. He explained an automated management system doesn't mean that there won't be a property maintenance presence on the grounds. Sharon Carlberg, adjacent property owner, commented in opposition to the proposed zone change, referencing a national study she had read that reflected a residential area next to a commercial industrial development decreases property values, and expressed that in addition to the undesirable effect of viewing the storage units from her home, she believes the units will affect her property's value. Motion carried. Voting "yes" -- Mr. Allen, Mr. Brown, Mr. Cook, Dr. Rinne, Mr. Shanor, Mr. Valdez and Mayor Kaysen. Voting "no" -- Mr. Luna, Dr. Rinne and Ms. Williams. (#4032)

ORDINANCE - Amending Section 5.78.030(B)(5), Business License Required, of Chapter 5.78, Towing and Wrecker Recovery Operations, of Title 5, Business Licenses and Regulations, of the code of the City of Cheyenne, Wyoming. Reporting for Finance Committee, Mr. Brown moved to approve on third and final reading, seconded by Mr. Valdez. Motion carried. Voting "yes" -- all members of the governing body. (#4033)

ORDINANCE - Amending various sections of the Cheyenne Unified Development Code (UDC), allowing automatic irrigation to be optional for drought tolerant seeded grass landscape areas located in the LI-Light Industrial and HI-Heavy Industrial Zoning districts as initiated from the 2014 Annual Review. Speaking in support of the ordinance were: Jean Vetter, who read a statement (on file with City Clerk's office) involving the positive aspects of native drought tolerant grasses and utilizing alternate landscaping methods; John Volk, resident and local developer, who noted the cost of watering large sodded grass areas, and Boyd Wiggam, Wyoming Liberty Group, commenting that the change supports private property owner rights by giving landowners an option and promotes environmental sustainability through water conservation measures. Mr. Shanor moved to approve on third and final reading, seconded by Mr. Brown. Upon inquiry, Brandon Cammarata, Planning and Development Director, referred to a City map included in the staff report depicting the locations of LI and HI zoned areas, and provided information on acreage sizes and locations generally of the two zones involved, noting that some LI zones are "sprinkled throughout" the City. Comments followed in support of the ordinance. Motion carried. Voting "yes" -- all members of the governing body. (#4034)

ORDINANCE - Amending Sections 5.36.070, 5.36.080, 5.36.090, 5.36.110, and 5.36.120, of Chapter 5.36, Circuses, Carnivals and Amusement Rides, of Title 5, Business Licenses and Regulations, of the code of the City of Cheyenne, Wyoming. Mr. Shanor moved to approve on third and final reading, seconded by Ms. Williams. Motion carried. Voting "yes" -- all members of the governing body. (#4035)

ORDINANCE - Amending Section 5.12.040(A)(1)(B), Insurance - Term of Licenses and Permits - Renewal of Annual Licenses, of Chapter 5.12, Alcoholic Beverages, of Title 5, Business Licenses and Regulations, of the code of the City of Cheyenne, Wyoming. Mike Moser, Executive Director, Wyoming State Liquor Association, commented on behalf of Laramie County liquor licensee Association members, and also in support of the Wyoming TIPS (Training for Intervention ProcedureS) Program. Mr. Moser spoke in opposition to the proposed ordinance and provided information on the TIPS program, advising of the training he and other volunteers provide throughout the state; on-line training and affiliated fee for participants vs. benefits of no cost in-person classes; educational video viewed by alcohol servers prior to employment duties, which is followed by the 4 hour TIPS training class within 90 days of the server's employment date as currently required by City Code, and reasons for retaining the current 90 day time frame vs. the proposed change to 30 days. He reviewed employment scenarios and difficulties for new-hire employees relative to acquiring the training in a lesser time period; personal employment and management hardships that may occur if the change to 30 days was approved, and submitted (on file with City Clerk's office) and discussed state estimates (percentages) of underage alcohol use and self purchase of alcohol data issued by the Substance Abuse and Mental Health Services Administration (SAMHSA). He expressed his belief that the majority of underage individuals are not successfully purchasing alcohol themselves and are acquiring by other means, and noted the positive percentage of City liquor licensees that met recent compliance checks and cooperative teamwork efforts between licensees and local law enforcement. Kevin Georges, local liquor business owner/operator, reviewed concerns of bar owners and liquor establishment operators with the proposed change to a 30 day time frame (from date of employment) in which servers would need to acquire TIPS training, which could affect licensees, license status and continuing employment

of staff. Mr. Brown moved to approve on second reading, seconded by Ms. Broyles. Discussion included the following topics: Allowing employers the time to evaluate new employees by retaining the 90 day training time frame; importance of TIPS training; concern with alcohol sales to underage individuals by servers who have not yet received training; number of state-wide TIPS trainers; proposed ordinance not addressing the primary issue of underage drinking, and ordinance change burden on licensees and management. Motion to approve failed. Voting “yes” -- Ms. Broyles and Dr. Rinne. Voting “no” -- Mr. Allen, Mr. Brown, Mr. Cook, Mr. Luna, Mr. Shanor, Mr. Valdez, Ms. Williams and Mayor Kaysen. Under other business, Ms. Broyles provided information regarding Municipal Court bond schedules that assist with holding servers and bar owners accountable, when violating laws relating to alcohol service to underage individuals, as well as underage youths who are caught attempting to purchase alcohol.

ORDINANCE - Pursuant to Section 2.2.1, Zoning Map Amendments, Section 5.1.2, Zoning Districts Established, and Section 5.1.3, Official Zoning Map, of the Cheyenne Unified Development Code, changing the zoning classification from AR Agricultural Residential to CB Community Business for Lots 1, 5 through 8, Block 2, all of Blocks 3 and 4, Countryside Addition and a portion of the NE¼ of Section 26, T.14N., R.66W., 6th P.M., Cheyenne, Wyoming, to be known as US 30 Business Plaza (located at the southwest corner of the intersection of US Highway 30 and Whitney Road). Mr. Shanor moved to approve on second reading, seconded by Mr. Allen. Upon inquiry regarding the cost of producing the conceptual site plan, John Sayers, speaking on behalf of Edwards Development, advised they produced the plan in-house and if they would have “gone outside” it would have cost approximately \$18,000 to \$20,000 to prepare. Discussion comments included appreciation of receiving the conceptual plan, and concern that requesting a conceptual site plan from a developer should not be expected as a standard practice when the issue before the governing body may be an annexation or zoning action in recognition that there may be considerable cost to the developer in preparing a conceptual site plan, which is not a requirement affiliated with a zone change action. Motion carried. Voting “yes” -- all members of the governing body.

ORDINANCE - Annexing to the City of Cheyenne, Wyoming, a parcel of land situated in the north 102 feet of Tracts 323 and 324, Sunnyside Addition, 7th Filing, Laramie County, Wyoming (located south of and adjacent to Rock Springs Street, east of and adjacent to Pierce Avenue, and west of and adjacent to Polk Avenue) to be known as the Diamond Estates 5th Filing Annexation.
