CITY OF CHEYENNE

APPLICATION

OFFICE OF CITY CLERK

RESIDENTIAL CRITICAL TRAFFIC AND PARKING AREA

This application is to request consideration by the Governing Body to establish a Residential Critical Traffic and Parking Area consisting of certain streets or parts thereof in a compact and contiguous area within the City of Cheyenne pursuant to provisions of Cheyenne City Code Chapter 10.68. There is no fee required when filing this application but if the area is approved by the Governing Body, fees are involved for annual permit applications and issuance of permit parking decals. The applicant is responsible for notifying all tenants, residents and/or property owners in the proposed area of the filing of this application and resulting annual permit fees if the area is approved.

Attach the Following:

Petition containing signatures of a majority of residents of the dwelling units located within the proposed critical traffic and parking area

Map of proposed critical traffic and parking area (area must be a compact and contiguous area)

Listing of all residents, tenants and/or property owners within the proposed area; their address and indication of whether they are owners or tenants of the property

DETAILED DESCRIPTION OF PROPOSED AREA FOR DESIGNATION:

200, 300, 400, 500 blocks of East 22ND Street. 200, 400, 500 blocks of East 23RD Street. 400, 500 blocks of East 24TH Street. 2100, 2200, 2300, 2400 blocks of Evans Avenue. 2200, 2300 blocks of ~~St~~ of Van Lennen Avenue.

ZONING CLASSIFICATION OF PROPOSED AREA:

Residential District

REQUESTED PARKING TIME RESTRICTIONS, IF ANY (Hours, time of day, days of week, etc.)

REASONS FOR APPLICATION REQUEST:

The proposed area is zoned as a residential district and is adjacent to the Cheyenne Regional Medical Center. Hospital employees, patient visitors and hospital vendors park in front of our homes daily and through the evenings (9:00 pm), thus creating substantial hardship for the homeowners to access their homes.

Dear City Councilpersons and Governing Body,

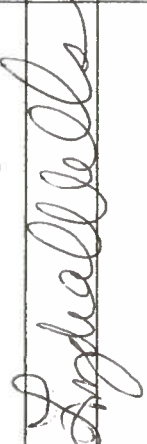

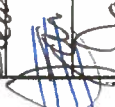

Enclosed in this packet is the application, cover letter with an explanation of my annotations, petition and signatures, map of proposed area, and the list of the actual owners of the properties within the requested Critical Parking Sign area.

1. Application
2. Cover letter
3. Petition
 - a. "R" denotes Renter
 - b. "O" denotes Owner
 - c. "H" denotes Hospital
 - d. "X" denotes owner/renter was not home during petitioning, the property owner could not be ascertained by the included list or the property was vacant. If the address/signature is not highlighted on the map, the signatures are our neighbors just showing support.
4. Highlighted map of areas requesting signs.
5. List of property owners.

Thank you for your time and consideration in this matter.
