Re: Application for Retail Liquor License

Dear Ms. Intlekofer,

Sam's West, Inc. ("Sam's Club") is pleased to submit its Application for the Retail Liquor License pursuant to the Cheyenne City Council Resolution No. 5692. Sam's Club's application is provided with this letter.

Sam's Club in Cheyenne is a membership only warehouse club, with over 29,000 members. Our club offers electronics, apparel, home furnishings, with a full line of groceries, including fresh produce, meat and dairy products, and dry goods. Our location also provides photo, optical, and pharmacy services.

I am the manager of the Cheyenne Sam's Club. My professional background includes more than 12 years in the field of operations and business management. My career began with Sam's Club in 2003, and has expanded across the Midwest, including: Nebraska, South Dakota, Colorado, and now Wyoming. I began as an hourly associate at 20 years of age in 2003, and was later promoted to an Assistant Manager and have held the roles of member service manager, fresh produce manager, membership manager, hardlines manager, and grocery manager. I came to Cheyenne in 2013 and lead a Sam's Club team of 140 associates, including 6 members of management. I am thrilled to have this company as a lifelong employer which shares my belief in the value of investing in my associates and helping them to reach their full potential. In my spare time, I enjoy fishing, hiking and spending time with my growing family. My wife is a Registered Nurse at the VA hospital and we recently returned from Africa where we adopted a 6 year old boy, who is our first child.

Sam's is committed to building strong communities and has been a part of Cheyenne since 1993, investing as an employer, contributing to the economy, and serving the people of the community. Attached is a "fact sheet" which sets forth the Sam's Club involvement in this community.

As a retailer, Sam's is committed to the responsible sale of adult beverages and does so in all stores where Sam's or Wal-Mart sells restricted products. Sam's Club and Wal-Mart have a strong track-record in Wyoming at its five locations which operate with a liquor license. Associates receive intensive and regular training and are supported by our in-store security

teams, who are also highly trained with many having backgrounds in law enforcement. Nationally, we have worked with the Foundation for Advancing Alcohol Responsibility, an organization focused on eliminating underage drinking and drunk driving.

Sam's Club is uniquely positioned to provide additional security for liquor sales. First, on membership, an individual must be at least eighteen years old to become a member. Members must provide a date of birth with their application which adds additional security measures on purchased adult beverages. Second, identification is checked on age-restricted product purchases. Additionally, every member is required to swipe their membership card for every purchase. Finally, in addition to limiting sales of adult beverages to age appropriate members only, Sam's Club hours of operation conclude at 8:30 pm. This is significantly less than many other liquor license holders and could further minimize underage access.

We would greatly appreciate it if you could please keep us informed of the placement of the application on the City Council meeting agenda. Please do not hesitate to contact us if you have any questions or need any additional or supporting information.

Sincerely,

Cody Nelson

Plan of Operation

(Submitted with the Application for Retail Liquor License)

Sam's Club submits its Plan of Operation pursuant to City of Cheyenne Resolution No. 5692, outlining the proposed manner in which the establishment will be operated.

A. Schedule of Hours of Operation:

Sam's Club intends to maintain hours of operation seven (7) days per week. Sam's Club's hours are as follows:

Monday-Friday	10:00 a.m. - 8:30 p.m.
Saturday	9:00 a.m. - 8:30 p.m.
Sunday	10:00 a.m. - 6:00 p.m.

B. Intended Uses of the Facility:

Sam's Club will use the facility for the sale of package liquor. It will not maintain a pour area in its establishment. As depicted by the architectural renderings attached to the application, if Sam's Club is fortunate enough to obtain a retail liquor license, it intends to isolate the package sales area in a liquor box constructed to the City of Cheyenne's standards on the West side of the store. No person under the age of twenty-one will (21) will be permitted to enter unless accompanied by a parent or guardian.

C. Alcohol Management:

Sam's will sell package liquor to its members. Currently, Sam's Club and Wal-Mart locations in Cody, Riverton, Laramie and Casper all sell package liquor to the public. Sam's and Wal-Mart maintain a "zero tolerance" policy on all age restricted products. To ensure compliance with the policy, the sale of any age-restricted products (including alcohol) automatically triggers a lock on the cash register until a valid birth date is entered. Furthermore, all sales associates are trained to check identification and any associate who sells to a customer that does not appear to be over 40 years of age without checking identification is subject to termination. Attached is a flow diagram which demonstrates a typical transaction involving the sale of an adult beverage and the safeguards that are in place at Wal-Mart stores to ensure a responsible sale. Sam's Club will utilize the same process.

In addition to the safeguards in place at Walmart locations, Sam's Club provides additional security for liquor sales. First, on membership, an individual must be at least eighteen years old to become a member. Members must provide a date of birth with their application which adds additional security measures on purchased adult beverages. Second, identification is checked on age-restricted product purchases. Additionally, every member is required to swipe their membership card for every purchase.

Finally, in addition to limiting sales of adult beverages to age appropriate members only, Sam's Club hours of operation conclude at 8:30 pm. This is significantly less than many other liquor license holders and could further minimize underage access.

D. Crowd Control

Since the establishment will only sell package liquor for consumption off the premises, there will be no accumulation of crowds at the location of the alcohol sales.

E. Security

Sam's Club requires all alcohol to be paid for in the liquor area of the store only. Security cameras are located throughout the store and in the parking lot area, including at all existing entrances and exits in the building. Sam's Club also has two employees assigned to asset protection for the facility.
