

MEMO

TO: Mayor and City Council Members
FROM: Tom Mason - Director Cheyenne MPO
DATE: November 4, 2015
SUBJECT: Official Map Ordinance Amendment

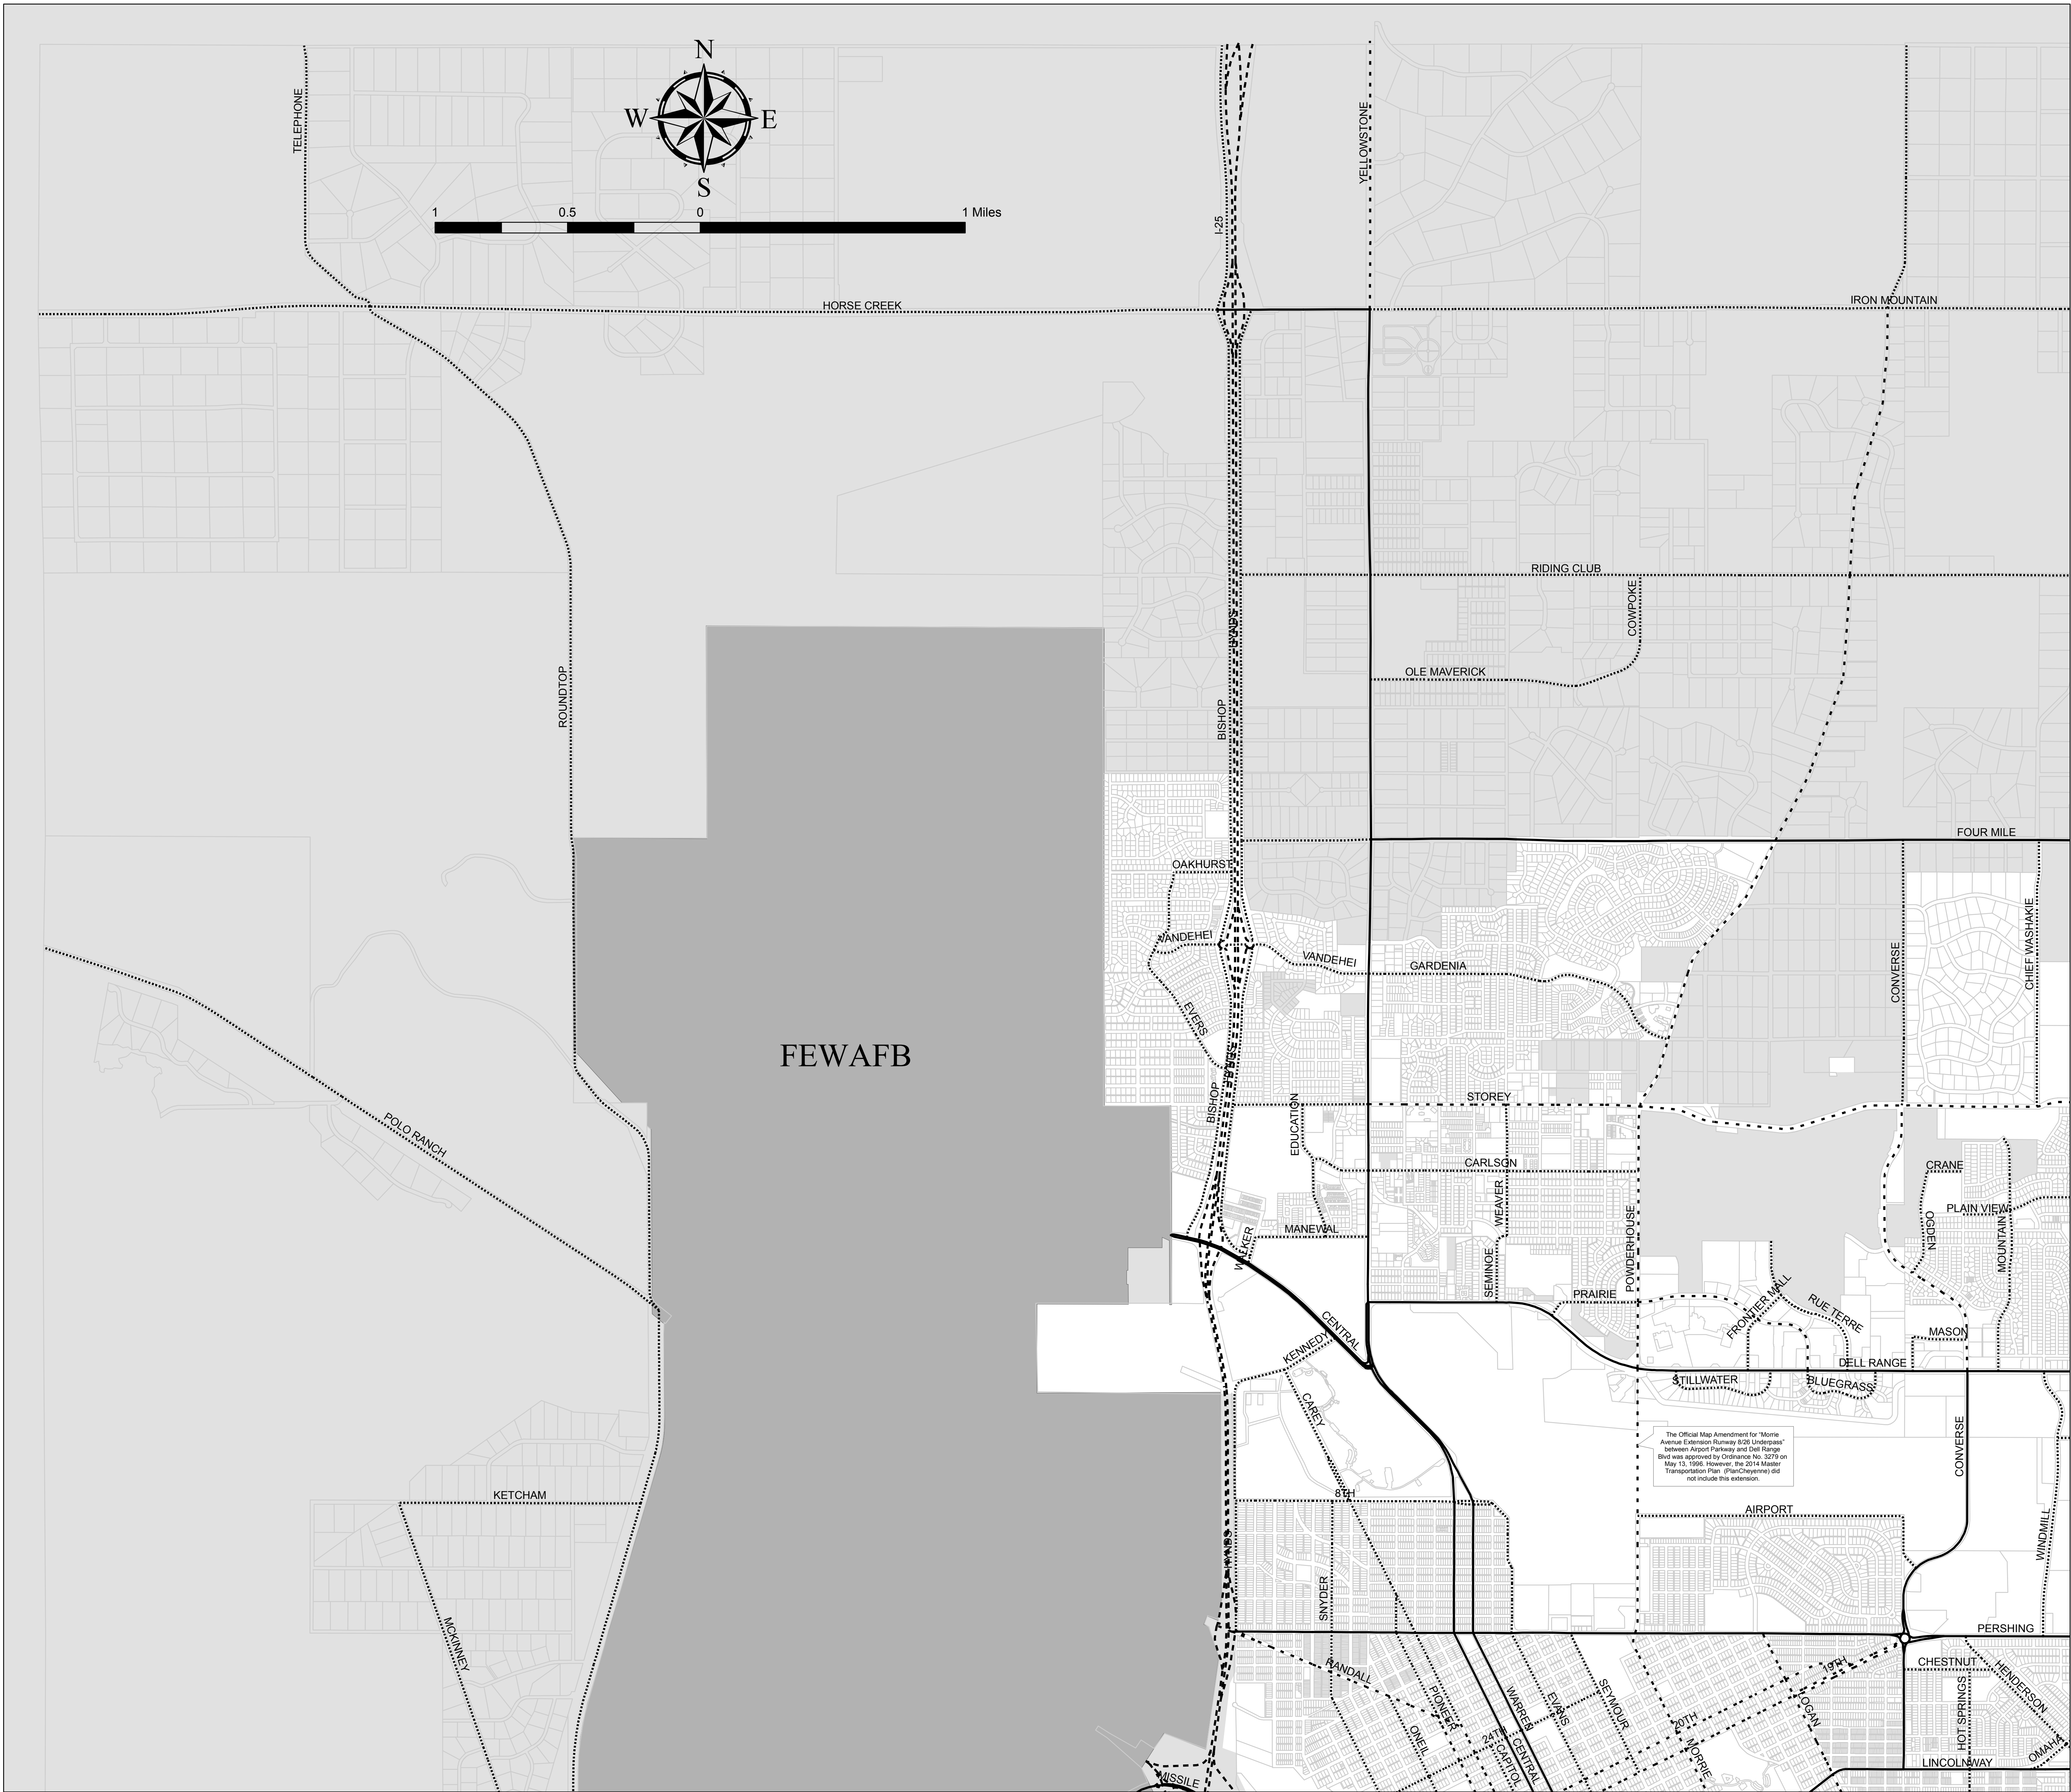

At the Public Service Committee on November 3, 2015 I provided an amendment to the Major Street Plan Official Map. I had discovered that morning that a surveyed centerline for a future road extension from past Master Plans was not on the proposed map. The future road was the extension of Morrie/Airport Parkway to the Dell Range and Powderhouse intersection.

I ask that an amendment by substitute map be made which will add that corridor line with the following text:

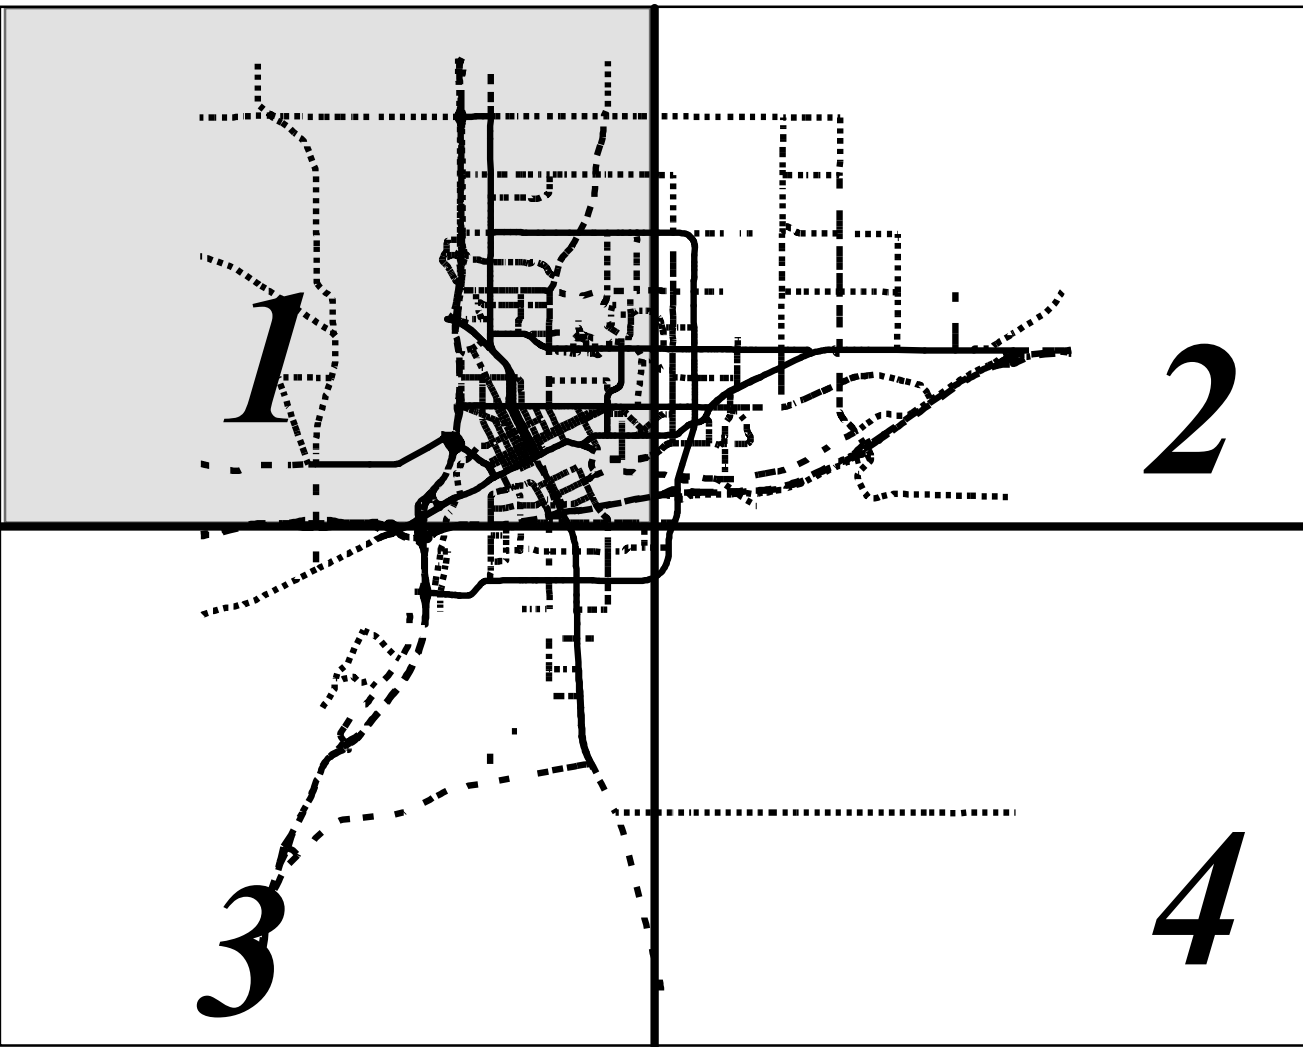

The Official Map Amendment for "Morrie Avenue Extension Runway 8/26 Underpass" between Airport Parkway and Dell Range Blvd was approved by Ordinance No. 3279 on May 13, 1996. However, the 2014 Master Transportation Plan (PlanCheyenne) did not include this extension.

A substitute map, Sheet #1 is provided with the addition.

ATTEST:

Mayor

City Clerk

The creation of an official map is allowed by Wyoming State Statute §15-1-508 et seq. The purpose of an official map is to show locations of collector and arterial streets which have already been approved or proposed new streets or street extensions made by the governing body based on a major street plan. The placing of any street or street lines upon the official map does not in itself constitute the opening or establishment of any street or the taking or acceptance of any land for street purposes.
