RE: Emergency Response Facility Project

Dear Mr. Schingle:

As requested, Plan One/Architects is pleased to provide you with the following proposal for Phase One of the project as discussed at our meeting on December 1, 2015. This proposal is for a single Fire Station prototype. For additional Fire Stations we will negotiate fees for each site individually. Programming and conceptual design will not be required for subsequent Stations.

The basic services fees are broken down as follows:

Programming / Conceptual Design:	\$ 10,000.00
Schematic Design:	\$ 28,125.00
Design Development:	\$ 37,500.00
Total:	\$ 75,625.00

Civil Engineering and Geotechnical Engineering will be negotiated additional services per site to be added to this agreement along with reimbursable expenses.

Should you have any questions or need additional information please feel free to contact me at any time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles E. Van Over'.
