

BERGKAMP INC. SP5 PATCHER INSPECTION CHECKLIST PIN _____

END USER: _____

INSPECTED BY: _____

MACHINE COLOR: _____

INSPECTION DATE: _____

SAFETY

1. System Labels, Safety Labels

- _____ Labels, Decals in place as per check sheet
- _____ PIN Plate
- _____ Reflective side and rear marker DOT Tape

2. Safety Lighting and Warning Devices

- _____ Strobe Light Qty. _____ Ea.
- _____ Directional Arrow Board,

Notes: _____

- _____ Backup Alarm
- _____ Backup Camera
- _____ Chassis Lighting, Stop, Tail, & Turn
- _____ Complete vehicle Document Certification

3. Other Safety Devices

- _____ Truck Air Tank Protection Valve
- _____ Fire Extinguisher mounted in Cab
- _____ Road Side Triangular Reflectors
- _____ First Aid Kit

ENGINE SYSTEM

1. Fluids and Filters

- _____ Engine Oil: SAE 10W-30 or SAE 15W-40
- _____ Engine Coolant: 50/50 mix 1.06 Gal (4.0L)
- _____ Engine Oil Filter: #023073
- _____ Engine Air Cleaner: #023075
- _____ Engine Primary Fuel Filter: #023074
- _____ Engine Inline Fuel Filter: #023076

2. Idle and Run RPMs

- _____ Engine Low Idle RPM: Fill this in.
- _____ Engine Gov. RPM: Fill this in.

3. Gauges and Additional Information

- _____ Engine voltage
- _____ Battery & Cables Connections
- _____ Tachometer

4. Rear Operations Control Panel

- _____ Engine Coolant Temperature
- _____ Engine Hour Meter
- _____ Oil Pressure Warning Lamp
- _____ Battery Warning Lamp
- _____ Glow Plugs Lamp

HYDRAULIC SYSTEM

1. System Pump Identification

_____ S/N: _____

2. Rear Compartment Exhaust Air Fan Motor

_____ S/N: _____

3. Hydraulic Reservoir

- _____ Fluid Level Sight Gauge
- _____ Hydraulic Oil Level: Midway on Sight Glass
- _____ Plug in Drain Hose Tight
- _____ Hydraulic Return Line Filter: #023070
- _____ Hydraulic Pressure Filter: #023072
- _____ Hydraulic Tank Breather Filter: #023071
- _____ Hydraulic Pressure Gauge

4. Hydraulic Components / System Functions

- _____ Hydraulic Oil Cooler / Fan
- _____ PVG Valve limit stops adjusted
- _____ System Max Pressure Relief Set

5. Additional Items

- _____ Manuals
- _____ Spray nozzle wrench
