RE: Final Plat Application - Waterford Square 2nd Filing

Dear Mr. Lloyd:

On behalf of the applicant, we request your office convey a request to the governing body for a postponement on the 2nd Reading on the Waterford Square 2nd Filing Final Plat at the Public Services Committee meeting scheduled for Tuesday September 20, 2016. This request for postponement would be until the next regularly scheduled meeting of the governing body.

The nature of this request is in-light of the meetings last week with your office and the engineering department. Since these meetings presented potentially new requirements and conditions for the project, the applicant would like some additional time to consider these requests before altering the current proposal or withdrawing the application. A final decision whether to continue the current application or withdraw the application will be conveyed to your office well in advance of the next scheduled public services committee hearing.

We are not planning to present an owners report for this weeks Public Service Committee meeting but can verify this request for postponement (if need be).

If you have any questions or wish to discuss this request in more detail, please do not hesitate to contact me.

Respectfully,

Kelly W. Hafner, P.E.
Senior Project Engineer

cc: Heartland Homes, LLC; Jim Voeller, P.E., Interim City Engineer
