A COMMUNITY OF CHOICE

October 4, 2016 Proposed Amended Conditions of Approval for the Sweetgrass PUD Preliminary Plan; Substitution text is **highlighted** and deleted text is shown with ~~strike-through~~ lines.

RECOMMENDATION: The Development Department recommends **conditional-approval** of the Sweetgrass Planned Unit Development (PUD) Preliminary Plan proposal with the following conditions:

~~1. The Applicant shall submit a transportation impact study (TIS) and a Transportation Network Plan (TNP) to the City with the Sweetgrass PUD Final Plan and Zoning Map Amendment applications and the TIS shall be certified by the City Engineer as complete, accurate and adequate to (1) identify potential adverse impacts of the proposed development to the surrounding area and to the PUD community for each major phase of development and for full build-out of the PUD lands; and (2) to identify the measures to be implemented by the Applicant and by the City to adequately mitigate those potential adverse impacts. The TIS shall inform the TNP and both shall be certified as complete prior to the applications being presented to the Planning Commission for their consideration.~~

1.A Transportation Impact Study (TIS) and a Transportation Network Plan (TNP) based on the TIS findings shall be included with the Sweetgrass PUD Final Plan and Zoning Map Amendment applications.

~~2.The Applicant shall submit a community facilities impact assessment to the City with the Sweetgrass PUD Final Plan and Zoning Map Amendment application and the assessment shall be certified as complete and adequate by the City Development Director prior to the applications being presented to the Planning Commission for their consideration.~~

2.A Community Facilities Impact Assessment shall be included with the Sweetgrass PUD Final Plan and Zoning Map Amendment applications.

~~3.The land to be donated to the City for a City Park (shown on Sheet 3 Land Use Map as Tract 1) shall not serve as a regional stormwater detention or retention facility for land external to the park and this shall be reflected in the PUD map exhibits and regulations document.~~

~~4.The PUD Final Plan submittal shall include a document and exhibit detailing public and private trail locations and development, operation and maintenance responsibilities to be reviewed by Parks and Recreation Department staff. When approved by staff, this information is to be included within a Development Agreement between the Applicant and the City.~~

3.An exhibit detailing public and private trail locations and maintenance thereof shall be submitted with the Final PUD.
