RE: Letter of Intent for the City of Cheyenne Medical and Vision Insurance Effective July 1st, 2017

Ms Freeman:

On behalf of United Healthcare, we appreciate the opportunity to quote and provide solutions for the City of Cheyenne. We sincerely appreciate the amount of time spent and we look forward to partnering with you.

The following is a recap of United Healthcare's proposal:

- The proposal is a 12 month contract running from 7/1/17 through 6/30/18.
- Since the City currently does not have deductibles, there is no need to credit the deductibles. But, United Healthcare will credit any portion of the Out of Pocket met by your members. We will work with both you and the previous carrier to provide a report showing who has met any portion of their Out of Pocket. The Out of Pocket will reset as usual on 7/1/17.
- Including a wellness program called Simply Engaged for the members, including on-site biometrics for no charge.
- Including a 35k wellness fund to be used for any wellness related activities/events.
- Offering a single option medical plan design which includes a \$1,000/\$3,000 deductible for employee/family, 20% coinsurance up to an out of pocket max of \$5,000/\$10,000 for employee/family. We will work together during implementation to make sure the benefits are set exactly as you want them.
- Providing a dedicated service team including a designated Implementation Manager. Our dedicated service team will be present at all open enrollment meetings to educate and engage with your members. We will provide enrollment materials.
- Including a vision plan matching current benefits that are in place today. The vision plan is a separate benefit than the medical plan.
- Offering a .5% discount to the medical rates in exchange for bundling the vision with the medical with United Healthcare.

As an addition to this letter, we are also offering you the proposal which provides the high level benefits and rates for all four tiers. We are also providing a benefit summary for the medical and vision plans. Thank you again for the opportunity and we look forward to providing the City of Cheyenne with a great experience. Please let me know if you have any further questions.

Sincerely,

Cory Gale
Account Executive

General Information (continued)

Enter the Prior Calendar Year Average Total Number of Employees

Under Health Care Reform law, the number of employees means the average number of employees employed by the company during the preceding calendar year. An employee is typically any person for which the company issues a W-2, regardless of full-time, part-time or seasonal status or whether or not they have medical coverage.

To calculate the annual average, add all the monthly employee totals together, then divide by the number of months you were in business last year (usually 12 months). When calculating the average, consider all months of the previous calendar year regardless of whether you had coverage with us, had coverage with a previous carrier or were in business but did not offer coverage. Use the number of employees at the end of the month as the "monthly value" to calculate the year average. If you are a newly formed business, calculate your prior year average using only those months that you were in business. Use whole numbers only (no decimals, fractions or ranges).

844

Enter the Prior Calendar Year Full Time Equivalent Total Number of Employees

For purposes of determining your number of full-time equivalent employee count, the number of employees means the average number of employees employed full-time (at least 30 hours/week in any given month), by the company on business days during the preceding calendar year.

In addition to the number of full-time employees noted above, for any month otherwise determined, include for such month the number of full-time employees divided by the aggregate number of hours of service of all employees who are not full-time employees for the month by 120. Employers should exclude employees who were seasonal workers who worked 120 days or fewer in the preceding calendar year.

Medical Quote Assumptions

Customer Name: City of Cheyenne
Effective Date: July 1, 2017

The rates quoted here are based on the following assumptions. Changes to these assumptions may result in an adjustment to rates.

Medical Quote Assumptions

- Rates are guaranteed for the contract period of 7/1/17 through 6/30/18.
 - Rates are based on your submitted census. UnitedHealthcare reserves the right to adjust the rates from audit date back to effective date if any of the following changes:
 - Enrollment +/- 10%
 - Average Contract Size +/- 10%
 - Area Factor +/- 7.5%
 - Age/Sex Factor +/- 10%
 - Any Material Changes
 - Cobra enrollees are more than 10% of enrollment
 - This proposal assumes at least <Enter> of all eligible employees will enroll in an employer sponsored plan. This proposal further assumes that at least 50% of all benefit eligible employees (including spousal waivers) will enroll with UnitedHealthcare. If either assumption is not accurate, we reserve the right to requote back to original effective date.
 - If this quote has been provided based upon a RFP that did not include claims experience or renewal rates, final approval will be contingent upon receipt of renewal rates at the time the employer form is submitted and a revision of the rates may occur.
 - Rates are contingent upon review and approval of Employer Form by Medical Underwriting and assume no large ongoing claims or conditions.
 - Rates assume no OOA employees, retirees or part time employees. Rates assume calendar year deductible, and OOP Max.
 - Unless otherwise stated, this offer replaces and renders all previous offers null and void.
 - Individual Medical Applications will be required if the group is currently self-funded or does not currently have group medical coverage.
-
- Quote includes UHC fulfilled Simply Engaged.
 - Quote includes \$35,000 for Wellness Credit & SE.
 - UnitedHealthcare reserves the right to adjust the rates and/or fees (i) in the event of any changes in federal, state or other applicable legislation or regulation; (ii) in the event of any changes in Plan design required by the applicable regulatory authority (i.e. mandated benefits) or by the Plan Sponsor; and (iii) as otherwise permitted in our policy.
 - This premium may include state and federal taxes and fees.
 - Premium rates and/or product forms included herein are subject to approval by regulators. If rates or product forms offered herein are subsequently modified by regulators we will immediately advise you of the change in plan design and retroactively adjust premium in subsequent billings.
 - Plan design and corresponding premium rates offered herein represent a coverage option that is consistent with your current group size (based on most recent census or survey information) and closely matches your current coverage. Additional coverage options may be available to you.
-
- Agents may receive commissions and other compensation from us and these costs may be reflected in your premium or fee. Separately, you may have contracted with producers to provide services directly for your group and have agreed to pay them a 'service fee'. Since 'service fees' are not a contingency of the purchase of health insurance such fees are not part of your premium but may be included in your bill under total amount due.
-
- UBundled program is available in select states and on select UHC platforms for cases with effective dates January 1, 2017 and later. UBundled cannot be combined with any other discount program.

What is a benefit summary?

This is a summary of what the plan does and does not cover. This summary can also help you understand your share of the costs. It's always best to review your Certificate of Coverage (COC) and check your coverage before getting any health services, when possible.

What are the benefits of the Choice Plus Plan?**Get more protection with a national network and out-of-network coverage.**

A network is a group of health care providers and facilities that have a contract with UnitedHealthcare. You can receive care and services from anyone in or out of our network, but you save money when you use the network.

- > **There's coverage if you need to go out of the network.** Out-of-network means that a provider does not have a contract with us. Choose what's best for you. Just remember out-of-network providers will likely charge you more.
- > **There's no need to choose a primary care provider (PCP) or get referrals to see a specialist.** Consider a PCP; they can be helpful in managing your care.
- > **Preventive care is covered 100% in our network.**

Are you a member?

Easily manage your benefits online at myuhc.com® and on the go with the **UnitedHealthcare Health4Me™** mobile app.

For questions, call the member phone number on your health plan ID card.

Not enrolled yet? Learn more about this plan and search for network doctors or hospitals at welcometouhc.com/choiceplus or call 1-866-873-3903, TTY 711, 8 a.m. to 8 p.m. local time, Monday through Friday.

Benefits At-A-Glance**What you may pay for network care**

This chart is a simple summary of the costs you may have to pay when you receive care in the network. It doesn't include all of the deductibles and co-payments you may have to pay. You can find more benefit details beginning on page 2.

Co-payment	Individual Deductible	Co-insurance
(Your cost for an office visit)	(Your cost before the plan starts to pay)	(Your cost share after the deductible)
\$30	\$1,000	20%

This Benefit Summary is to highlight your Benefits. Don't use this document to understand your exact coverage for certain conditions. If this Benefit Summary conflicts with the Certificate of Coverage (COC), Riders, and/or Amendments, those documents are correct. Review your COC for an exact description of the services and supplies that are and are not covered, those which are excluded or limited, and other terms and conditions of coverage.

Your Costs

In addition to your premium (monthly) payments paid by you or your employer, you are responsible for paying these costs.

	Your cost if you use Network Benefits	Your cost if you use Out-of-Network Benefits
Deductible		

What is a deductible?

The deductible is the amount you have to pay for covered health care services (common medical event) before your health plan begins to pay. The deductible may not apply to all services. You may have more than one type of deductible.

- > Your co-pays don't count towards meeting the deductible unless otherwise described within the specific common medical event.

- > All individual out-of-pocket limit amounts will count towards meeting the family out-of-pocket limit, but an individual will not have to pay more than the individual out-of-pocket limit amount.
- > Your co-pays, co-insurance and deductibles (including pharmacy) count towards meeting the out-of-pocket limit.

Your Costs

What is co-insurance?

Co-insurance is your share of the costs of a covered health care service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance plus any deductibles you owe. Co-insurance is not the same as a co-payment (or co-pay).

What is a co-payment?

A co-payment (co-pay) is a fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service. You will pay a co-pay or the allowed amount, whichever is less. The amount can vary by the type of covered health care service. Please see the specific common medical event to see if a co-pay applies and how much you have to pay.

What is Prior Authorization?

Prior Authorization is getting approval before you can get access to medicine or services. Services that require prior authorization are noted in the list of Common Medical Events. To get approval, call the member phone number on your health plan ID card.

This applies to all health services, even if the health service is required to treat a medical condition that arose before the date your coverage under the Policy ended. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Policy. In the event an Out-of-Network provider waives, does not pursue, or fails to collect co-payments, co-insurance, and/or any deductible or other amount owed for a particular health service, no Benefits are provided for the health service for which the co-payments, co-insurance and/or deductible are waived. Charges in excess of Eligible Expenses or in excess of any specified limitation. Long term (more than 30 days) storage. Examples include cryopreservation of tissue, blood and blood products. Autopsy. Foreign language and sign language services. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services we would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service. For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.

UnitedHealthcare Insurance Company

Other Important Information about your Outpatient Prescription Drug Benefits

If you purchase a Prescription Drug Product from a Non-Network Pharmacy, you are responsible for any difference between what the Non-Network Pharmacy charges and the amount we would have paid for the same Prescription Drug Product dispensed by a Network Pharmacy.

You are responsible for paying the lower of the applicable Co-payment and/or Co-insurance or the retail Network Pharmacy's Usual and Customary Charge, or the lower of the applicable Co-payment and/or Co-insurance or the mail order Network Pharmacy's Prescription Drug Cost.

For a single Co-payment and/or Co-insurance, you may receive a Prescription Drug Product up to the stated supply limit. Some products are subject to additional supply limits.

Specialty Prescription Drug Products supply limits are as written by the provider, up to a consecutive 31-day supply of the Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits. Supply limits apply to Specialty Prescription Drug Products whether obtained at a retail pharmacy or through a mail order pharmacy.

Some Prescription Drug Products or Pharmaceutical Products for which Benefits are described under the Prescription Drug Rider or Certificate are subject to step therapy requirements. This means that in order to receive Benefits for such Prescription Drug Products or Pharmaceutical Products you are required to use a different Prescription Drug Product(s) or Pharmaceutical Product(s) first.

Also note that some Prescription Drug Products require that you obtain prior authorization from us in advance to determine whether the Prescription Drug Product meets the definition of a Covered Health Service and is not Experimental, Investigational or Unproven.

If you require certain Prescription Drug Products, we may direct you to a Designated Pharmacy with whom we have an arrangement to provide those Prescription Drug Products. If you are directed to a Designated Pharmacy and you choose not to obtain your Prescription Drug Product from the Designated Pharmacy, you will be subject to the Non-Network Benefit for that Prescription Drug Product.

You may be required to fill an initial Prescription Drug Product order and obtain one refill through a retail pharmacy prior to using a mail order Network Pharmacy.

Benefits are available for refills of Prescription Drug Products only when dispensed as ordered by a duly licensed health care provider and only after 3/4 of the original Prescription Drug Product has been used.

If you require certain Maintenance Medications, we may direct you to the Mail Order Network Pharmacy to obtain those Maintenance Medications. If you choose not to obtain your Maintenance Medications from the Mail Order Network Pharmacy, you may opt-out of the Maintenance Medication Program each year through the Internet at myuhc.com or by calling Customer Care at the telephone number on your ID card. If you choose to opt out of Mail Order Network Pharmacy but do not inform us, you will be subject to the non-Network Benefit for that Prescription Drug Product after the allowed number of fills at Retail Network Pharmacy.

Certain Preventive Care Medications maybe covered. Log on to www.myuhc.com or call the Customer Care number on your ID card for more information.
