InRe: POSTPONEMENT REQUEST for SWEETGRASS ANNEXATION #UDC-17-00542

Dear Mr. Hammer,

Steil Surveying Services, on behalf of the owner, **hereby requests that the above-described Annexation (3rd Reading) be postponed from the scheduled November 27 City Council meeting (Postpone at November 21 Public Services Committee)** in order to allow for the owner to continue work with the City in finalizing Annexation Agreement(s) for a project of this unique size and scope.

PLEASE NOTE: I have not seen the Draft Ordinance, but based on the Public Service Committee Agenda, it appears that the Title Description is still incorrect on the City Paperwork:

ORDINANCE – 3rd READING –

Annexing to the City of Cheyenne, Wyoming, a portion of Section 9, all of the W½ Section 14, all of Section 15, a portion of Section 16, and all of Section 21; Township 13 North, Range 66 West of the 6th P.M., Laramie County, Wyoming (located to the southeast of the intersection of E. College Drive and Avenue C).

I think it should read:

ORDINANCE – 3rd READING –

Annexing to the City of Cheyenne, Wyoming, a portion of Sections **8 and 9**, all of the W½ Section 14, **a portion of the E1/2E1/2 of Section 17, and all of Sections 15, 16, and 21**; Township 13 North, Range 66 West of the 6th P.M., Laramie County, Wyoming (located to the southeast of the intersection of E. College Drive and Avenue C).

We anticipate that following this request, the Annexation request will be placed on the Public Services Committee agenda for December 5, 2017 and, barring any further request for postponement, will be heard on 3rd & final reading by the full City Council on December 11.

Please contact me with any questions or concerns.

Thank you and best regards,
