RE: Clear Creek Subdivision 1st and 2nd Filings

On December 14, 2017, the agent for the applicant for Clear Creek Subdivision 1st and 2nd Filings submitted revised maps to City Staff. The revised maps have fulfilled a majority of the conditions as listed in the Staff Report.

Condition 3 on Clear Creek Subdivision, 1st Filing was to "Provide an access to Lot 2, Block 1". This access has been provided by supplying an access easement through Clear Creek Subdivision 2nd Filing – however, the new access easement on the 2nd Filing plat map is lacking dimensional data, which will be needed on the recorded document.

Staff recommends approval of Clear Creek Subdivision, 1st Filing with revised map and the following condition:

1. Include the Mayor's and City Clerk's names and titles in the signature block in the dedication statement.

Staff recommends approval of Clear Creek Subdivision, 2nd Filing with revised map and the following conditions:

1. Include the Mayor's and City Clerk's names and titles in the signature block in the dedication statement.
2. Provide dimensional data for the 40' access easement OR provide a reference book & page if this access easement follows a pre-existing easement.
