RESOLUTION NO. _____

Entitled: "A RESOLUTION AUTHORIZING THE SUBMITTAL OF AN APPLICATION TO THE WYOMING WATER DEVELOPMENT COMMISSION FOR GRANT FUNDING FOR PHASE III OF THE SOUTHERN WATER TRANSMISSION MAIN PROJECT IN THE AMOUNT OF \$10,720,000 AND AUTHORIZING THE MAYOR, THE CITY CLERK AND THE DIRECTOR OF THE BOARD OF PUBLIC UTILITIES TO EXECUTE THE APPLICATION AND ALL RELATED DOCUMENTS."

WHEREAS, Wyoming Statute 15-7-401 provides for a Board of Public Utilities (BOARD) to manage, operate, maintain and control municipal waterworks, a sanitary sewer system and sewage disposal plants; and

WHEREAS, Cheyenne City Code, Section 2.68.010, established such a BOARD to have exclusive authority to manage, operate, maintain and control the Cheyenne Municipal Waterworks, Sanitary Sewage System and Sewage Disposal Plants of the City and to make all rules and regulations necessary for the safe, economical and efficient operation and maintenance of the above facilities; and

WHEREAS, the 2003 and 2013 Water and Wastewater Master Plans recommend improvements to Cheyenne's water system by constructing a water main to serve the southern area of Cheyenne and to help relieve stress and demand on Cheyenne's northern water transmission mains; and

WHEREAS, the City of Cheyenne and the BOARD recognize the 2003 and 2013 Water and Wastewater Master Plans as essential planning tools and the necessity for Phase III of the Southern Water Transmission Main Project (PROJECT); and

WHEREAS, primary purposes of the Southern Water Transmission Main Project include, but are not limited to:

- Provide redundancy for and supplement water flows to the City's southern area which are now provided almost entirely from an existing 30-inch water transmission main that is over 40 years old; and
- Provide relief to Cheyenne's three water transmission mains that feed water from the Round Top treated water storage reservoir; and
- Meet current demands for treated water in the City's southern area; and

WHEREAS, the PROJECT cost estimate for engineering, construction and related administrative and miscellaneous costs is \$16,000,000; and

WHEREAS, the PROJECT meets the criteria and is eligible for consideration of grant funding from the Wyoming Water Development Commission (WWDC) Level III Construction Account in the amount of \$10,720,000, sixty seven percent (67%) of the estimated PROJECT costs for construction and other related costs; and

WHEREAS, the City of Cheyenne and the BOARD plan to submit an application to the State Loan and Investment Board for a loan from the Wyoming Drinking Water State Revolving Fund for the balance of the Project funds; and

WHEREAS, the City of Cheyenne and the BOARD recognize that the PROJECT is necessary and that it is essential to maintain adequate supplies of safe drinking water to the community of Cheyenne.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF CHEYENNE, that an application be submitted to the Wyoming Water Development Commission for Level III grant funding in the amount of \$10,720,000 for estimated construction costs and other miscellaneous costs for Phase III of the Southern Water Transmission Main Project for the City of Cheyenne; and

BE IT FURTHER RESOLVED, that the Mayor, the City Clerk and the Director of the Board of Public Utilities are hereby designated as the authorized representatives of the City of Cheyenne to act on behalf of the City of Cheyenne in all matters related to this application and related documents, including any amendments to the Project Agreement.

PRESENTED, READ AND ADOPTED this ____ day of _____, 2015.
